

PTF Meeting April 3, 2019

Attendees: Stephanie Knoerr, Haley Thomas, Aimee Keiffer, Lindsay Hudson, Tatiana Sanders, Donna Jones, Leslee Graves, Debbie McKinney

Opening Prayer:

- Leslee Graves opened the meeting with a prayer.

Treasurer's Report:

- Cash balance is \$22,181.98.
- This balance does not include the zipline purchase (approximately \$12K) but does include the items that were purchased for secondary.
- Bart Gardner will install the zipline. We are waiting on quotes for best price on cost of zipline. We will dedicate it to Hudson Holt with a plaque or other marker.

Filled PTF Board Positions:

- New Board members are Lindsay Hudson (Secretary), Emily Kelley (Used Uniform Coordinator) and Haley Thomas (Treasurer).

Field Day May 21st:

- Room moms need to be reminded to bring waters and arrange for a canopy for each class.
- T-shirts need to be ordered with different colors for each grade.
- A Field Day Committee will be set up to help with organizing the event.
- We will make lunch a station for the classes so the times will be staggered. This should help expedite service, so we do not get backed up and have long wait times for lunch.
- We will ask Paige to set up order forms online for t-shirts and lunches.
- Some ideas for stations are: races and relays, obstacle course bounce house, basketball, human foosball, karate for K-3rd grade only, 9 square for 4-5th grade only (we can spray paint it on the grass if we cannot get the structure from Sabine Creek), Sweet Frog, bowling, large lawn Jenga, tug-of-war, pool noodle maze, car wash relay, 3 legged race, water balloon toss or fight, In-n-Out, Nerf gun target games.
- Ideas for future field days: Change the date to a Friday or other day besides same day as 6th grade graduation, hold the event at HCA and use the field that was used for Fun Run (seed field, fill in holes, and get rid of ant piles to get it ready).

School Supply Orders:

- Tatiana sent the lists out for the teachers to choose their supplies from.
- The list will go out to parents at the beginning of May so they can order online.
- We will be delivering the boxes to the classrooms. We will need to check the boxes to make sure they are accurate.
- Will ask Dr. Wheeler about secondary supply lists.

PTF Membership:

- We will be lowering the PTF membership dues from \$30 to \$20 and \$15 for early bird discount.
- An e-mail and a flyer in folders will go out in May about the early bird discount.
- We are also planning to go to an online directory. This will be available to all members.

Miscellaneous:

- We will ask about doing a PTF fundraiser at Chick-Fil-A in May.
- Testing is coming up for 3rd – 7th grades. We will e-mail room moms to remind them about snacks.

The gift card drawing winner was Debbie McKinney. Next meeting is May 1st.
